

FRAGRANCE MASTERBATCH

Designed For Pleasant Aroma

| Exceeding Your Expectations | www.blendcolours.com |

- **Blend Fragrance MB**, contains a concentrated organic fragrance that makes them ideal for film or moulding applications
- There is increased use of reprocessed polymers because of environmental concerns. These polymers are used in wide range of applications like furniture, molded articles & carry bags, but they have a foul smell.
- By adding of fragrance MB in different plastics application it masks the unpleasant odour & releases it with desired aroma
